

DOING RESEARCH WITH OLDER ADULTS IS LIKE PLAYING BASKETBALL!

ALWAYS GO FOR A 3-POINTER:
ASK QUESTIONS, LISTEN WELL,
AND PROVIDE FEEDBACK.

BE CAREFUL NOT TO FOUL!
DON'T USE JARGON OR
TALK DOWN TO OLDER ADULTS.

IF YOU AREN'T LISTENING TO THE
OLDER ADULTS ON YOUR TEAM,
YOU MIGHT MISS YOUR SHOT.

BUT IF YOU DO IT RIGHT,
YOU JUST MIGHT GET
A SLAM DUNK!
